

August 2017

Dear Sir/Madam,

The sport of the future has arrived. It's called disc golf, a healthy activity that is enjoyed by everyone from school age to beyond retirement age with a wide socioeconomic demographic base. Would your company be interested in reaching this new audience? If so, perhaps you would be interested in the following:

- The 22nd Annual 2018 Texas State Disc Golf Championships
- Date TBD -- Mid Spring
- Spring/Cypress, Texas
- A Professional Disc Golf Association (P.D.G.A.) Pro Tour sanctioned competition

The Texas State Disc Golf Championship (TXSDGC):

- Originated in Houston in 1996
- Is attended by the top disc golf players including current and past World Champions plus other pro and amateur competitors from the P.D.G.A. Tour, and many new players from Texas and beyond.
- Will feature 3 area disc golf courses reaching a wide and growing demographic of the north and north west corridors of Houston.

The 2018 TXSDGC is being hosted and coordinated by the Northside Chain Gang Disc Golf Club and Spring Valley Golf & Disc Golf in Spring, Texas. Our goal is to continue to **Grow the Sport** for several different reasons:

- Disc golf is affordable to play and provides health benefits for those who do. The game is basically a 'goal oriented walk in the park'.
- Originally players started as blue collar workers and college students, but today's player base includes a larger audience of consumers including entire families, retirees and professionals.
- Spectating followers are on the rise to watch the top level players compete providing a captive audience for product marketing and advertising
- The sport is exploding in popularity worldwide through social platforms and the media. Look up disc golf on ESPN Top 10!

The stage is set for advertising investment returns and this event provides various levels of sponsorship opportunities to benefit your company and align you with our goal. Please see the attached Sponsor Levels and Application Form on the next page. If one of these unique marketing options is of interest please fill out the Application and submit to the events financial coordinator listed at the bottom of the form. Any level you select will be greatly appreciated.

Proceeds from this year's event will benefit the 501(c)(3) Educational Disc Golf Experience (E.D.G.E.) who's mission is to provide a program to help students learn from and enjoy this wonderful lifetime sport.

If you have any questions or would like additional information about the 22nd Annual 2018 Texas State Disc Golf Championship, please feel free to contact me.
